

Helyar House Resident Scholarship Application 2026-2027

Default Question Block

The Deadline for submitting your online Helyar House Resident Scholarship Application is Friday, June 5, 2026.

Please note the following:

You are required to read this section carefully before beginning the online Helyar House Resident Scholarship Application. The application utilizes Qualtrics software. Therefore, the following recommendations are required to be followed for a successful submission of your scholarship application:

- Along with a demonstrated ability and sincere desire to serve others in a cooperative living community, an important part of Helyar House selection and application processes includes financial need. All information will be kept confidential and be utilized for your Helyar House scholarship application only. If you do not know the exact answers to the financial aid questions later in the application, please approximate.
- It is strongly recommended that your online application be submitted at one time with your application documents fully completed before. Review carefully the sample copy of the application

listed below to help you prepare and complete your documents listed in the "Supplemental Documents" section **BEFORE** starting your on-line application.

- If you do not complete your application and return back to your online application at another time, you may not be able to return to where you previously left off and you may have to start your application over again. A cell phone cannot be used. It is strongly recommended to complete your application at one time to avoid processing delays.
- Once your application is submitted, it is considered final, and you will not be able to go back and make further changes.
- If you have any questions, email scholarships@sebs.rutgers.edu
