Rutgers Aquaculture Research Symposium & Growers Workshop

The goal of this event is to strengthen the connections among Rutgers, commercial growers, and others involved in the NJ aquaculture industry. This event is an opportunity to learn about Rutgers' recent aquaculture research and programs. Additionally, participants will help develop a prioritized list of needs and issues that can serve as the focus for future Rutgers initiatives.

**Friday, January 31, 2025
9 AM - 5 PM**

Lunch will be provided with support
from the Jetty Rock Foundation
